Carlye Tazelaar

Sophomore, Dordt College

I really felt cared for and loved during my time in Lincoln and it was so hard to leave when it was over! It was so obvious to me that the believers in Lincoln have a real heart for community!

Jason Tieman

Intern at the Northern Lighthouse

The people I have been surrounded by have blessed me immensely in the short time I've been here. I have found an environment and spiritual experience the likes of which I have never encountered before.
